

York Adjustable TV Bed

This TV adjustable bed allows you to put your own flat screen LCD T.V. into the end of the bed, this can be fitted by our engineers. Imagine the luxury and style pressing a button on either side of the bed to raise an integral T.V. You can automatically adjust the bed by the press of another button to the most comfortable position on earth the "semi fowler position" (slightly raised at the head-end and foot-end) this position makes you feel like you are floating, supremely supportive and comfortable.
