

Turning Adjustable Bed

Two Models.

Non Electric Turning (Carer assisted, carer must manually turn bed) 3ft â,~7995

Electric Turning (No Carer Needed as per video) 3ft â,~9995.00

Luxury adjustable bed with high quality Reflex mattress.

Sizes: 5ft 6inch Dual and 6ft Dual.

The Electric Turning Bed from Laybrook is the ideal bed for a person who wants independence, as it puts the person from a seated position on the side of the bed and turns the bed into a flat position for sleeping. One push of the button will do a full rotation from seated to sleeping position without the need for carers, it helps getting legs onto the bed with the minimum of fuss and gives complete independence.

Features

90 degree rotation feature.

Height Adjustable

Grab Rails

Fully Profiling

Patient Grab Handle

Lockable Castors

NEW TILTING FUNCTION (When the bed has turned 90 degrees you now can tilt the bed to help get out or in of the bed).

The model shown has a beautiful Belgian damask surround and has castors so it can be easily moved.

This bed comes with a full **5-year warranty**. Unlike some other companies, we only sell beds made from the best quality materials and as with all our adjustable beds if you are not totally satisfied with your purchase within 7- days we will fully refund you the cost of the bed*. Subject to terms and conditions
It is also fully installed by our trained engineers, **NOT FLAT PACKED** like some companies.

Colour

The colour of this divan bed surround is beige.

Sizes

5ft 6 and 6ft.

The picture shown is a single bed.

A dual bed has two mattresses (independent movement)

Bed height

Standard Bed Size = 20â€•

If you change the specification of the bed it will be a special order (non stock item) and will take up to 1 week longer to make and deliver.

If this bed is returned a collection fee of â,-295 will be charged.
