

Oxford Adjustable TV Bed

This is the latest style in adjustable beds, incorporating advanced technologies which allow a flat screen LCD T.V. to raise from the bottom of the bed. Imagine the luxury and style, pressing a button on either side of the bed to raise an integral T.V. By the press of another button, you can automatically adjust the bed to the most comfortable position on earth, the "semi fowler position" (slightly raised at the head-end and foot-end), giving the sensation that you are floating.

Sizes: 3ft, 4ft, 4ft6, 5ft, 6ft and 7ft

There is room for a DVD player at the side of the bed so you can watch your favourite movies in the comfort of your own bed.

This bed comes with a full **5-year warranty** (excludes TV this has 1yr warranty). Unlike some other companies, we only sell beds made from the best quality materials, and as with all our adjustable beds, if you are not totally satisfied with your purchase within 7 days, we will fully refund you the cost of the bed.

It is also fully installed by our trained engineers, **NOT FLAT PACKED** like some.
